WHO WE ARE

One Partner for Industrial Machinery Across the GCC

2009
ESTABLISHED

Established in 2009, Fenatek supplies industrial machinery and automation solutions to businesses across the GCC. We work with world-leading manufacturers to bring the right equipment to every application, and we stay with our customers long after delivery.

From product selection and on-site demonstrations to installation, training and after-sales service, our fully trained engineers support every machine we supply, so our customers can work safer, faster and more productively.

Our Mission

Our mission is to redefine industry and construction standards through the continuous development and delivery of top-tier machinery and automation solutions.

Our Vision

We are driven by a vision of a future where innovation and precision engineering make complex tasks simpler and more efficient for our clients.

WHAT WE SUPPLY

01 **Material Handling Solutions**

02 **Steel Fabrication Machinery**

03 **Aluminium & Wood Machineries**

04 **Industrial Equipment & Machinery Solutions**

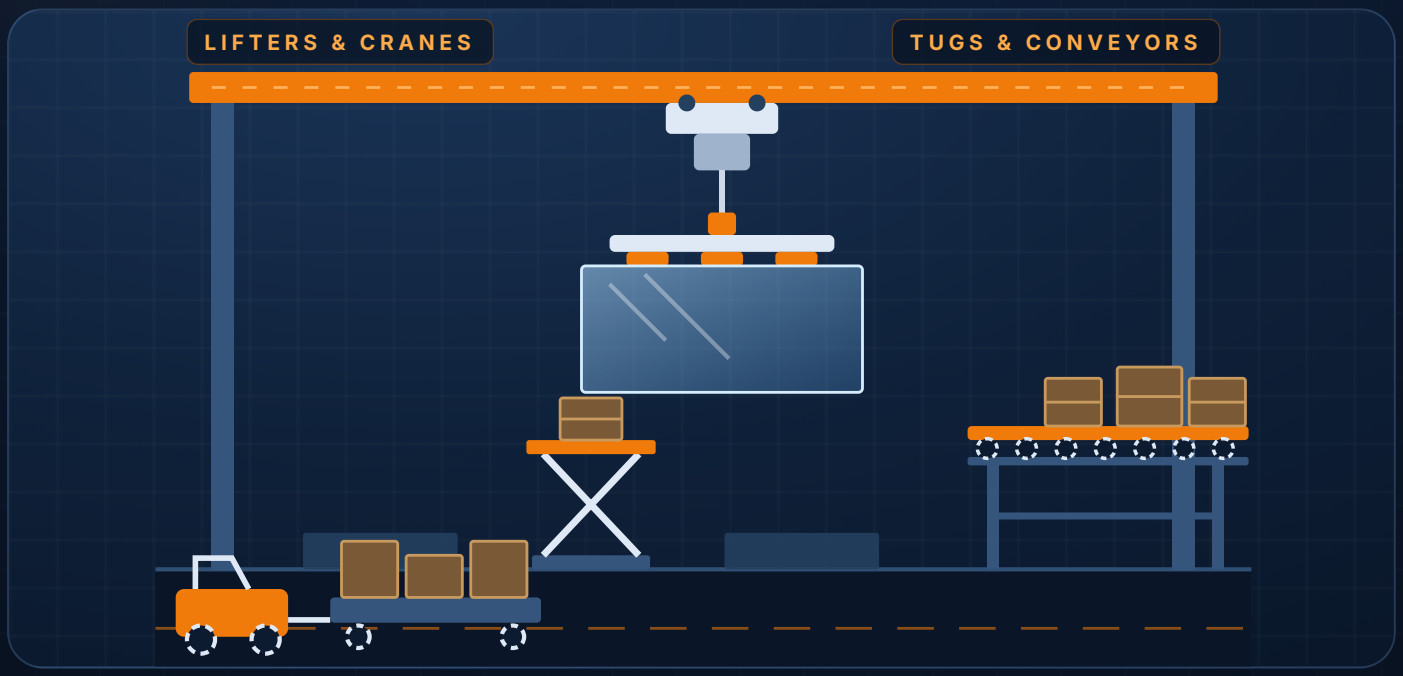

SERVING **Abu Dhabi • Dubai • Qatar • Bahrain • Oman • KSA**

01 / 04 — WHAT WE SUPPLY

Material Handling Solutions

01

Safe, efficient solutions to lift, move, convey and store every kind of load, from glass, stone and sheet metal to heavy machinery and finished goods.

PRODUCT RANGE INCLUDES

- Vacuum Lifters & Manipulators
- Cranes & Hoists
- Electric Tugs
- AGVs & AMRs
- Conveyors
- Lifting Tables
- Lean Systems & Warehousing Solutions

ALSO IN THIS RANGE

Glass Handling · Stone & Marble Lifters · Sheet Metal Lifters · Panel Lifters · Workstation Cranes · Gantry Cranes · Tow Tractors · Stackers · Bin Lifters · Lean Racking · Ergonomic Lifting · Pallet Movers · & MANY MORE

02 / 04 — WHAT WE SUPPLY

02

Steel Fabrication Machinery Solutions

Machinery for every stage of steel fabrication: cutting, bending, rolling, forming, drilling, marking and finishing, from raw material to finished product.

PRODUCT RANGE INCLUDES

- Plate Rolling Machines
- Press Brakes
- Hydraulic Presses
- Laser & Plasma Cutting
- Tapping Machines
- Drilling Machines
- Marking Machines
- V-Grooving Machines

ALSO IN THIS RANGE

Flanging Machines · Shearing Machines · Tube Laser Cutters · Section Bending · Sawing Machines · Welding Solutions · Punching Machines · Beveling Machines · Notching Machines · Deburring Machines

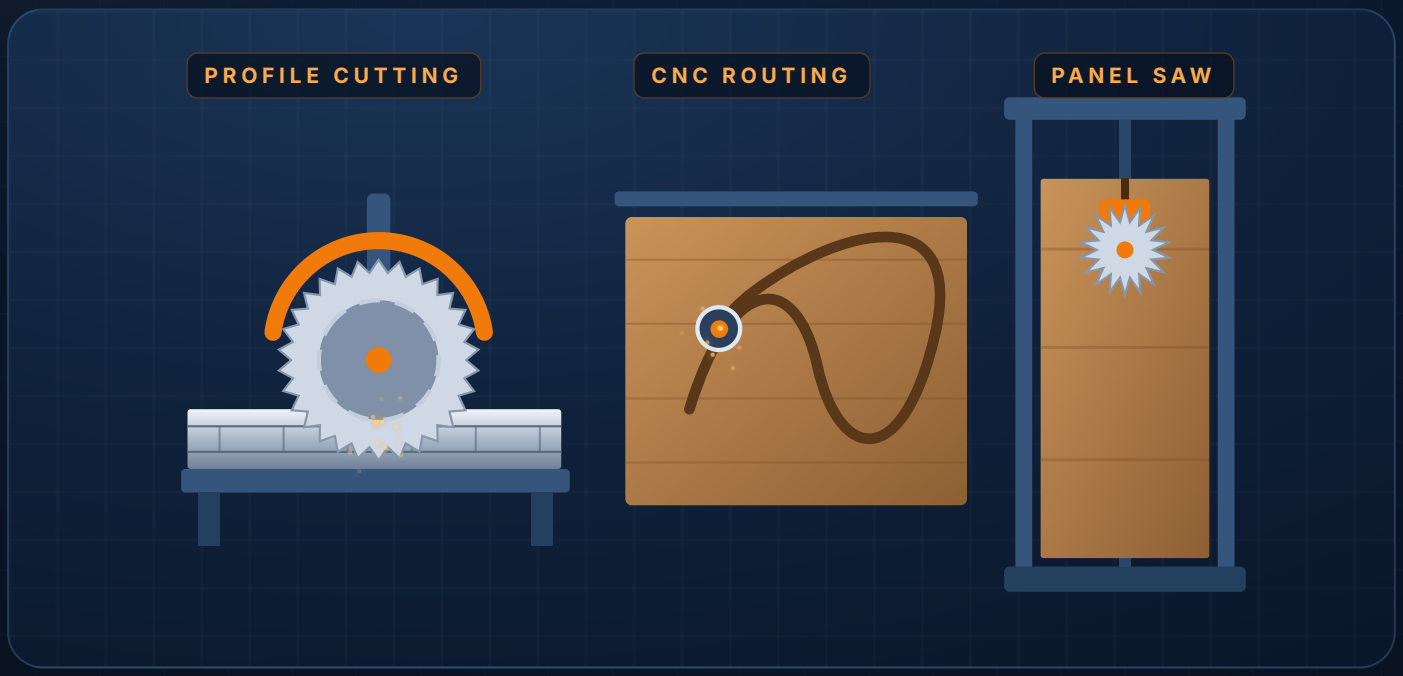

& MANY MORE

03 / 04 — WHAT WE SUPPLY

Aluminium & Wood Machineries

03

Precision machinery for aluminium profile and wood panel processing: cutting, machining, assembly and finishing for fabricators and joinery workshops.

PRODUCT RANGE INCLUDES

- Profile Cutting Saws
- CNC Machining Centres
- Corner Crimping
- Copy Routers
- Panel Saws
- Edge Banding
- CNC Routers
- Drilling & Boring

ALSO IN THIS RANGE

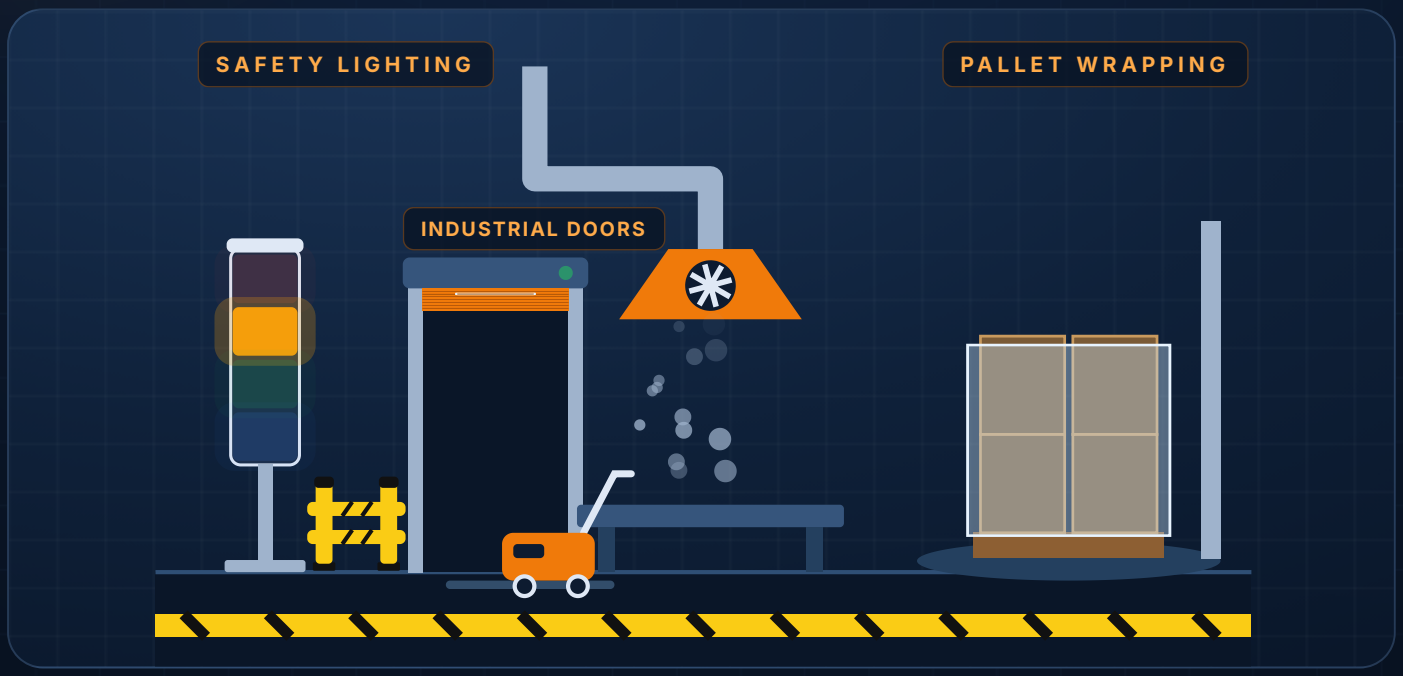

Double Mitre Saws · End Milling · Notching Machines · Glazing Bead Saws · Sanding Machines · Planers & Thicknessers · Spindle Moulders · Beam Saws · Wood Boring Machines · Composite Panel Processing · & MANY MORE

04 / 04 — WHAT WE SUPPLY

Industrial Equipment & Machinery Solutions

04

Equipment for safer, cleaner and more productive facilities: safety and signalling, industrial doors, extraction, cleaning, packing and factory automation.

PRODUCT RANGE INCLUDES

- Safety Lighting
- Industrial Doors
- Safety Barriers
- Fume Extraction
- Industrial Cleaning
- Pallet Wrapping
- Drum Handling
- Factory Automation

ALSO IN THIS RANGE

Andon Systems · Machine Safety · Wall Protection · Weld Screens · Dust Collectors · Floor Scrubbers · Dry Steam Cleaning · Packaging Machines · Lean Manufacturing · & MANY MORE

INDUSTRIES WE SERVE

Smart Solutions for Every Industry

- Steel Fabrication
- Food & Beverage
- Wood Industry
- Paint Manufacturing
- Oil & Gas
- Aviation
- Petrochemical
- Military & Defence

WHY FENATEK

Quality Machines. Expert Support.

Authorized Distributor

Of world-leading brands, with top quality machines for every application.

Expert Service Engineers

Fully trained, experienced engineers on board.

Installation & Training

On-site installation, commissioning and operator training.

After-Sales Support

Dedicated technical support and free on-site demos.

Free on-site demos & consultation · sales@fenatek.com

FENATEK

YOUR ULTIMATE MACHINERY & AUTOMATION PARTNER

SERVING ACROSS THE GCC
